

POLI BARRIQUE

SOLERA DI FAMIGLIA 18-98

Grappa Riserva aged with the “solera” method, wanted by Toni Poli (1919-2001) and handed down to his children.

The “Solera di Famiglia 18-98” is made up of 98 barriques: starting from 2001, it harmoniously blends various Grappa vintages, the youngest of which has at least 18 months of ageing.

Over the years, we obtain a Grappa holding the memory of time.

POLI BARRIQUE
(Cuvée of red varieties from Veneto)

Grappa Riserva, aged through Solera method, flowing-steam distilled.

Its aroma recalls a little wooden box full of chocolate, vanilla, liquorice and freshly toasted coffee beans.

Powerful and proud like a lion.
