

POLI DUE BARILI

Due Barili is a new-generation Grappa, whose particularly rich and soft flavor, is due to the double ageing in two types of different barrels: at least two years in 225-liters French oak barriques and at least two years in Sherry PX barrels.

DUE BARILI
(Marc from grapes for Prosecco)

Aged Grappa, 2 years in French oak and 2 years in Sherry PX barrels, flowing-steam distilled.

Its aroma recalls milk chocolate with raisins and toasted hazelnuts.

The ardour and elegance of a toreador.
