

# POLI CLEOPATRA AMARONE ORO

Grappa from dried grape marc, distilled at low temperature (54°C – 130°F), thanks to Crysopea by Poli, the innovative vacuum bain-marie alembic that allows to obtain a Grappa with a particularly defined and lively aromatic profile.

Dedicated to Cleopatra, the alchemist of the Ancient Egypt, who designed the first alembic in history.

**CLEOPATRA  
AMARONE ORO**  
(Marc from grapes  
for Amarone)

Aged Grappa, 1 year  
in oak barrels, vacuum  
bain-marie distilled.

Its aroma recalls freshly  
squeezed ripe red  
grapes and a basket of  
almonds and walnuts.

**Warm and enveloping  
as a velvet jacket.**
