

SARPA ORO DI POLI

“Sarpa” in Venetian language means “grape marc”, the raw material from which Grappa is obtained.

Born in 1991, Sarpa Oro is patiently aged for many years in the underground cellars of the distillery, where there are nearly 4.000 225-litres oak barriques.

Sarpa Oro is simply a perfect Grappa; it holds the great evolution of this spirit: from popular product to symbol of Italy in the world.
