POLI SUPER TAURUS BITTER VENETO

That day of 1948, when the Super Taurus arrived at the distillery, the whole village came along to see it.

No one in Schiavon had ever seen such a truck before. The children rode up in turns, curious and frightened.

The adults toasted to the economic rebirth of Italy with that special Bitter, sturdy and powerful like the Super Taurus.

SUPER TAURUS Bitter Veneto

Bitter liqueur with natural infusion of citrus peels, bittering herbs and spices.

Its intense aroma recalls a red orange peel surrounded by gentian roots and liquorice root sticks.

**Timeless, like a
Negroni cocktail
sipped in well-
deserved relaxation.**

Quel giorno del 1948 quando il Super Taurus arrivò in distilleria venne tutto il paese a vederlo. Non si era mai visto a Schiavon un camion così. I bambini salirono a turno, curiosi e spaventati. I grandi brindarono con quel Bitter speciale, robusto e potente come il Super Taurus, alla rinascita economica dell'Italia.
