

POLI BOMB

Egg liqueur

Original egg liqueur with a balanced alcohol content to be enjoyed cool.

Bomb is obtained respecting a traditional recipe from Bassano, that requires the use of fresh eggs, milk, sugar and the most symbolic distillate of our territory: Grappa.

A real bomb of energy.

BOMB Egg liqueur

Liqueur with natural infusion of eggs and fresh milk.

Its aroma recalls a soft donut filled with custard, with a pleasant alcohol base.

The sunny and invigorating energy of a stopover in an alpine shelter.
